

## Lion's Roar-ette

April 30, 2021

Volume 15, Issue 26

### Principal's Message

Greetings ILS Families!

**WHAT A NICE WEEK** we had at school this week. Even with the up and down weather, we were able to be outside quite a bit and it was nice to enjoy the fresh spring air and sunshine.

**MAY 1** begins shorts and capri time. Shorts and capri pants may now be worn from the until the end of the school year, unless weather conditions warrant otherwise. With our up and down weather, please be cognizant of cooler temperatures and dress for the weather. Please refer to your Parent/Student handbook for more details.

**PROGRESS REPORTS** were sent home with your child today. Please review them and contact your child's teacher with any questions or concerns.

**REGISTRATION FOR 2021-22** is ongoing and some classes are very limited. Tell your friends and coworkers about our school, too!

**SMART TUITION ROLLOVER** for our current families on the program was completed this past week. Tuition payments for the 2021-22 school year will begin in July. If you currently are using the SMART Tuition program, please review your account for next year and contact the school office if you have any questions.

**BOON SUPPLY** fundraiser packets were sent home last week. Please help us by logging onto [boonsupply.com/948935](http://boonsupply.com/948935) and taking a look. Don't forget to share this with your family and friends! If you would like to participate in this fundraiser, but do not wish to purchase any items, donations may be made by check written to ILS-PTL. Thank you for your support of this year's PTL/BCDS fundraiser.

**AND** - Thank you for your support of our school!

In His Service -

Vickie Baker, Principal

## Sent to Serve

### CLASSROOM FOCUS

#### What's Been Happening in Pre-K?

*It is hard to believe that the end of our school year is getting near! Mrs. Venuti & I have enjoyed watching the students' growth emotionally, socially, academically & spiritually. There's never a dull moment in Pre-K! We sing, dance, learn and both work and play hard.*

*Currently, we are busy learning about insects. We began comparing some differences between arachnids and insects. We had learned earlier in the year that spiders are arachnids.*

*Then, we studied ladybugs and butterflies. Each day the students observe the ladybug larvae and the caterpillars. It's exciting for them to experience the metamorphosis right before their very own eyes. Also, we have been learning about bees. The students learned that bees often communicate through dance. We have had a lot of fun perfecting our 'bee dance moves.' :)*

*Prior to learning about insects, the students were learning about the farm. We discussed the jobs a farmer does around the farm. The students also loved learning about the various animals you can find on a farm. The students made their own pigs, a barn and a tractor. They have them proudly displayed on our bulletin board.*

*Continued....*

*"The Son of Man came not to be served but to serve,*

**CLASSROOM FOCUS - continued**

In addition, we are always working hard on the letter sounds, letters and developing a stronger number sense. The students always make time for some 'Jesus Time' too. We listen to or act out some Bible stories and the students make sure to thank Him at the end of each day. Of course, Pre-K plays hard too! We love to get outside at every opportunity!

Submitted by Mrs. Linehan - Pre-K

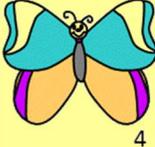

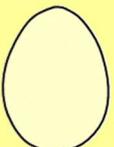

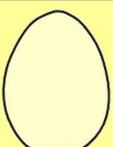

May God bless and keep you !

Mrs. Walker May 3

Mrs. Hoke May 5

**Butterfly Life Cycle Sudoku**

 4			
	 3		 1
 1		 3	 2
	 2		 4

Each row, each column and each of the large four squares should have one of each image. Fill in the blanks!

**God's Glory Can Shine Through You**

**Play:** On a sunny day, hand each of your children a piece of white paper, folded in half, with a loving message drawn or written on one half inside. Without unfolding the paper, have them hold it up to the window to allow the sun to shine through it. Ask them to describe the message they see.

**Talk:** Just like the sunlight illuminates the message, allowing it to be seen, God's love lights up our lives and allows others to read a message about His love. God wants others to see the good things we do and recognize His influence in our lives (Matthew 5:16). How can we let others see His love when we're at the park, at school, in our neighborhood?

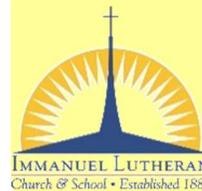

**Pray:** Ask God to let others see His message of love shining through your words and actions.

—Shari Pope Joy
